

The Gazette

Council set sewer line policy

The policy regarding connections to the sanitary sewer outfall was under discussion at the Committee of the Whole meeting on October 7. The drift of the discussion was that those properties along the sewer main (abutting or immediately adjacent to it), and the improvements on those properties, are eligible for hook-up. Other properties, it was agreed, would have to come to council for approval for hook-up. Coun. Bakker made these two points as motions which received 6 to 0 approval.

Several possible exceptions or special cases were determined which included Viscount Estates, the Town of Morinville, the Department of National Defence, or other such cases which may arise from time to time. The policy regarding these is that decisions will be made regarding their situation by the Town Council when they come up. Each of the hook-ups which do not fall into the special category will require the payment of the \$300 off-site fee which will cover hook-up and maintenance. Coun. Lukay moved that the hook-ups only be allowed for residential properties.

Mr. Byron explained that with the case of Morinville, "when developments occur outside the adjacent, immediate, existing, residential properties that this development should in some manner contribute to the cost of that facility (the capital cost)

in addition to the annual operation and maintenance of the facility which would be exactly of the situation with Morinville."

Mr. Byron pointed out that in the case of the Town of Morinville, they would pay a portion of the costs because if the system was not provided they would have to pay for it. He stated that this was a fair way of assessing the cost to them, while it was not fair that the sum should be written off and the system supported by the taxpayers of St. Albert. He explained that when their capital contribution is determined, they will also be paying a portion for their usage of the system as their usage figures with the total. It was stressed that the users of the system in the MD will be paying the same amount as the users within the Town.

Coun. Bakker expressed concern with misunderstandings regarding the off-site fee of \$300, namely the reason for levying it, why it will be paid and how long will users in the future continue to pay. He wanted it stressed that the sum will initially be used to pay for the debenture although the later additions would be part of the capital funding in order to "expand the facility. He stated that the fee does not terminate at the time that the construction is completed.

Further relating to the situation facing Morinville Coun. Hudson asked for clarification from Mr. Byron. He asked if Mr. Byron was stating that each individual residence hook-up pays no off-site fee, Morinville built the line to the main outfall line, and then assist in the capital payment for the system. He added that the assistance in the capital payment was proportionate to the line they are using as well as proportionate to the treatment facilities on a flow basis. Mr. Byron explained that this was so and the cost of them on a flow basis would be on the annual operation and maintenance.

Continued on page 2.

Wide public interest in town's history fostered by Society

The St. Albert Historical Society wants to get a lot more people actively involved in uncovering the history of their town, and has geared their new winter program to attract the widest possible participation by residents.

There are many areas of work going forward and many widely differing kinds of work to be done from hammer and saw jobs to audio visual interviews to research and cataloguing. Everyone who would like to be involved in any way at all is invited to the meeting of the Society on Thursday evening (Oct. 17) at the Percy Page Centre, (on the north side of the Perron Street bridge on Mission Avenue). The time is 8 p.m.

Seven projects are underway, with particular emphasis on identification and inventory of historic buildings being given in the coming season.

The National Inventory of Historic Buildings, Ottawa, has offered assistance to the Historical Society, by way of providing research people for a workshop session, illustrating in ways that inventories can be made.

The Society is alarmed at the rapid demolition of old buildings in St. Albert and anxious to identify old structures before they are destroyed. "If St. Albert becomes an urban blot on the Sturgeon, its distinct claim to a place in Alberta's heritage will be lost" states the September issue of "Echoes," the Society's newsletter.

Members are presently at work on the North West Mounted Police Barracks, built, in 1888 on a site just west of the Bruin Hotel and now standing in a grove of trees in Lions Park; the old McKenney Store where St. Albert's first telephone was installed, now at 3 Mill Drive but moved from the Savole farm during the early 1940's; and the log-brick structure built in 1884 as Grandin House. The Oblates are presently negotiating with the

province to have this structure classified as a Heritage Site. Evidence establishes the authenticity of the NWMP barracks and Grandin House, but is not complete in the case of the McKenney store. Toby Holgson and Hector Lamer helped out with information on this building.

Other projects needing research and planning are an audio-visual presentation on the History of St. Albert for use in the schools (for which a \$500 RCMP provincial grant was received; Oral histories of older citizens, for which a tape recorder will be made available and a workshop held on conducting such interviews; Collecting old photos for reprint and return to owners, a museum work bee needing 8 or 10 people for one evening, and a visit to St. Albert of the Alberta Museum Association tour, for which St. Albert Society will host a luncheon, on October 25. To assist in some of these are the services of bilingual people would be appreciated, much of the town's early history being recorded in French.

Anyone who would be interested in digging into the work of the historical could get a good start by taking in the events planned for

Continued on page 2.

Under the supervision of the town's Parks and Recreation department the former teen centre on the south side of Mission Avenue was disassembled and moved to its new location near the Legion Hall in Lions Park. The operation seemed to go very smoothly on October 15, and since that time residents of the area have enjoyed the uncluttered view of the sloping bank reaching down to the river. The building will be converted to a Senior Citizens Centre as a Women's Institute project, for which the WI received an RCMP Centennial grant. They are presently seeking all available willing hands to assist with the rebuilding in accordance with the attractive plan of the architect.

Town offered \$780,000 for Public Transport

MLA Ernie Jamison is pleased to announce through the office of the minister of highways and transport that the Town of St. Albert will receive \$780,000 from the Provincial Government over the next six years in support of urban public transportation development. The money is to be set up in a trust fund under an agreement between the province and the town.

Ernie further elaborated that during discussions by the government on urban transportation he and Mr. John Ashton, MLA for Sherwood Park, presented a strong argument on behalf of satellite towns such as

St. Albert and Sherwood Park, resulting in a further review being undertaken by the Department of Highways and Transport on the submission by the Town of St. Albert. This lead to a re-assessment of the need and the decision to make substantial assistance available.

A letter describing the assistance (\$130,000 per year for the next six years) and a copy of the proposed agreement has been sent to the Town for consideration. First transfer of funds is proposed to take place on October 28th.

Election results on Cable 11

Live coverage of the 1974 Civic Elections in St. Albert will be carried on the community video channel of Capital Cable TV with Alex Mir-Iln of the Gazette reporting direct from Town Hall, Mr. Richard Fowler will be anchor man at the Capital Cable studio, with analysis of the results.

Tires Slashed

Incumbent Town Councillor Frank Lukay was the victim of a willful act of vandalism last weekend. Sometime between Saturday midnight and early Sunday morning a new radial tire was deliberately slashed while his car was parked in his driveway. It is valued at \$80. The RCMP report only one other incident of this nature over the past few weeks and noted that such cases are not a large problem in the town.

ELECTION POLLS CLOSE AT 8 P.M. TONIGHT

Delinquent water account accounts

Delinquent water accounts and collection procedures were brought up as the first item of business at the Committee of the Whole meeting on October 7.

Mr. Byron stated that under the legislation the Town can require a lean on the

property that incurred the debt, collected in like manner to taxes. In the case of a tenant the arrears are a lean against the personal property and certainly could not be placed on the property itself. Mr. Byron also said that it had been deter-

mined that a purchaser of a property is not responsible for the debts of a previous owner.

Coun. Bob Hudson noted that there does not seem to be an effective way of collecting from a renter or a person who sells his property and "skips." Mr. By-

ron replied that there is an effective way to do this but the procedure would cost money. He stated that it may be better to place the accounts in the hands of a collection agency rather than merely right the debts off. Mr. Byron said that by dealing with the accounts in this manner the Town would be able to collect 70 per cent of the debts, paying 30 per cent to the collection agency.

Mayor Ray Gibson stated that there is a very simple method to deal with the renters which was that the deposit could be raised. "If we have no control over renters or owners who sell and leave then we should raise our deposit to an absolute minimum amount of at least

two months billing," he said. Currently the deposit is a sum of five dollars which Mayor Gibson stated was more administrative trouble than it was worth. The Mayor reminded council that a report would soon be available on the matter of increasing the deposit which would clarify the issue.

The memorandum from Mr. Byron included appendix A - the policy established earlier this year in regard to utility bills. Mr. Byron noted that it will have to be modified somewhat and in need of re-examination. Appendix B recorded the utility arrears transferred to taxes. Mr. Byron noted in this that the majority of arrears have been incurred

by tenants and unless they are traceable, the amount would have to be written off. Appendix C recorded a further \$2,790.19 reportedly uncollectable arrears.

Coun. Bakker asked Mr. Byron what the deposits were in other municipalities and Mr. Byron stated that this information would be isolated for the members of council. Coun. Hudson asked what the amount in arrears, representing the period from 1970 - 73, would be in terms of percentage of the total water billing. Mr. Byron informed Coun. Hudson that it represented a very small percentage.

Council voted 6 to 0 to accept the report from Mr. Byron.

sewer line

Continued from page 1.

ance costs of the system for that portion that they occupy.

Mayor Ray Gibson mentioned that there is in the \$4 fee for use of the sewer \$1 of which was prescribed for the maintenance costs for both in Town and the long line. Mayor Gibson explained that the fee had been increased to provide this. Coun. Bakker stated that his motion on the matter would be that residents in the MD be charged first the off-site fee, and that the same monthly service rate be charged as in the Town of St. Albert. Mayor Gibson stated that the motion should be amended to exclude the Department of National Defence facility which is an existing property and abutting the line. He was convinced to delete his amendment and bring it up as a separate motion. The motion passed with a vote of 6 to 0.

The Mayor stated that the MD of Sturgeon would be responsible for the collection of fees from the users within the MD and the Town of Morinville. It was also mentioned that the MD had the option to apply the fees to taxes where the town did not have this power. The Mayor noted that an agreement in this matter had to be made before the hook-ups are allowed. He made a motion in this regard.

Mr. Byron cleared up some misunderstandings with the term maintenance by stating that this means the continuance of service, the collection of rates, and the line from the main to the property itself. Mayor Gibson's motion passed and received a vote of 6 to 0. Coun. Hudson stated that the agreement would have to be made with the MD first and a separate agreement be made with the Town of Morinville. Coun. Bakker made a motion that an agree-

ment with the MD of Sturgeon be drafted and the motion passed with a vote of 6 to 0.

Mayor Gibson made a motion regarding the other special areas of concern stating that any special existing areas which wish to tie in they be subject to agreement with the Town. Mr. Byron stated that the draft agreement which staff was authorized to prepare would try to cover the special cases which may arise. Mayor Gibson stated that this fact had to be mentioned and thusly he felt that his motion should stand. Coun. Hudson stated that he could not support the motion because of a lack of information at this time and therefore no direction could be given. The motion was defeated with a vote of 2 to 4. Coun. Lukay and Mayor Gibson voting in favour.

PUBLIC NOTICE

(SECTION 311 OF THE MUNICIPAL GOVERNMENT ACT)

TAKE NOTICE that the Council of the Town of St. Albert, in the Province of Alberta, has given first reading to money Bylaw No. 30/74 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the cost of constructing a police building within its municipal limits.

The estimated total cost of the aforesaid project amounts to \$519,000.00. After deducting from this cost the amount of \$40,000.00, to be received by way of a grant from the Provincial Government, the net amount to be borrowed on the credit and security of the municipality at large by the issue of debentures is \$479,000.00. The debentures are to be repayable to the bearer in Twenty-five (25) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than twelve per centum (12%) per annum.

NOTICE THEREFORE is hereby given by the Council of the Town of St. Albert that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said Bylaw and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons Interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

A proprietary elector is -

- a person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and
- a person who is liable for the payment of a mobile unit licence.

Five per cent (5%) of the proprietary electors may by petition request a vote on a money Bylaw under the provisions of Sections 311 and 7 of The Municipal Government Act.

1. The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.

2. Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.

3. There shall be set out opposite each signature on the petition -

- the legal description of the property or other qualifications entitling that person to be a proprietary elector,
- the postal address of the petitioner,
- the occupation of the petitioner.

4. A corporation or a church or other religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or a church or other religious organization or an estate.

5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.

6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.

7. No name shall be removed from the petition after it has been received by the municipal secretary.

8. If two or more money bylaws are advertised in a single notice, a separate petition shall be filed with respect to each bylaw.

9. The date of the last publication of this Notice is October 16, 1974.

Family honours parents on Silver anniversary

The five children of Ben and Leona Bruins arranged a happy celebration for their parents on the occasion of their 25th Wedding Anniversary, beginning with a beautiful service at St. Albert Roman Catholic Church at 4:30 Saturday afternoon. Father Alphonse Roy conducted the ceremony which saw the couple renew their marriage

vows. Martin McLean, a son-in-law read the scripture lesson, and Cecile Como sang, accompanied by Bertha Kennedy at the organ.

The couple were accompanied down the aisle by their attendants of 25 years ago, John and Trudy Kozachuk, Trudy being a sister of Leona, and granddaughter Shaula McLean as flower

girl, with twin grandsons Benny and Bobby Bruins as ringbearers.

Following the service supper was served to about 170 guests at the St. Albert Community Hall, when Hector Gervais was an excellent master of ceremonies. He called upon a number of family members and friends for some appropriate com-

ments, including Jack Lafluy and Bob Becker, colleagues of Ben's, Ed Grams, a brother-in-law, proposed a toast to the bride of 25 years standing.

A three tiered Anniversary Cake was made by Ben's sister, Marie McKew and the children also provided a beautiful orchid for their mother, her first, and boutonniere for their father. In

Mr. and Mrs. Ben Bruins on the occasion of their 25th wedding anniversary, celebrated on Saturday in St. Albert.

Theatre workshops planned

The St. Albert on Sturgeon Players have production plans underway for an unusual fall event. They are hosting a wine and cheese party in conjunction with a Pot-Pourri of live entertainment in November.

Gladys Smith of the St. Albert School of Dancing is holding auditions for a song and dance number on October 17th at 8:30 p.m. in St. Alexander Mackenzie School.

The theatre group is interested in contacting any

people who would provide any type of variety entertainment number for the occasion.

Workshops are also being arranged on various aspects of the theatre, with the first one to be held on October 22 and 23 from 7 - 10 p.m. at the Industrial Arts Area of St. Albert High. Qualified in-

structors will be giving practical demonstrations on the construction of sets and those attending should wear old clothes and bring along any tools they may have such as hammers, saws and large paint brushes.

For further information call 459-3473 or 459-7321.

In addition the sons presented Leona with a gorgeous bouquet of 25 red roses and the daughters gave their father a handsome plaque, fashioned in the shape of 25 and adorned with 25 silver dollars.

During the dance which followed guests enjoyed songs by Hector and Trudy, accompanied by a good friend, Marcel LeBlanc on the guitar.

The biggest surprise of all for Ben and Leona came at the end of the evening, when nephew Stanley Gervais pulled the curtain at back stage to reveal a luxuriously beautiful dining room suite. Ben made a sincere speech of appreciation to all the family members and friends present, and Leona added her warm thank you as well.

The couple were married in St. Albert Roman Catholic Church 25 years ago on Oct.

11, 1949, at which time Ben was in Morinville. Leona has lived here all her life. For a few years after their marriage they lived in a rented house in the St. Albert area before moving to the farm home on Bellerose Drive which has been their home ever since.

All of the couple's children were present: Benjamin of Fort McMurray, Mrs. Sharon McLean and Mrs. Joan Strutwa of Edmonton, and Gary and Darrel at home. Their four grandchildren also attended the service and supper: Benny, Bobby and Vicki Bruins and Shauna McLean. Special guests were Ben's mother, Erna Bruins of Edmonton and Leona's mother, Mabel Gervais of St. Albert. Out of town guests were friends and relatives from Calgary, Morinville, Boyle and other district points.

DICK PLAIN FOR MAYOR

IT'S TIME FOR A CHANGE

LEADERSHIP:

RESIDENTS AND COUNCIL MEMBERS HAVE A RIGHT TO EXPECT
LEADERSHIP FROM THE MAYOR.

LEADERSHIP INVOLVES ACCOUNTABILITY AND OBJECTIVE CO-OPERATION.

IT IS ESSENTIAL TO BE AHEAD OF
and NOT BEHIND THE FOLLOWING SITUATIONS:

- * TRAFFIC
- * WATER & SEWER
- * PLANNING
- * RECREATION & PARKS
- * FINANCING
- * REGIONAL BOARDS
- * STURGEON RIVER PRESERVATION
- * PROPERLY PLANNED LIGHT INDUSTRIAL PARK

Inserted by the Dick Plain for Mayor Committee

the Gazette REFLECTS

It is rather surprising that the proposal of the Mayor, not opposed apparently by the other members of Council, that the present lagoon site should become the site of St. Albert's major recreation area, has not been questioned during the vigorous campaigning preceding today's election.

Mayor Gibbon announced at the Comet hockey banquet last spring that if he were re-elected mayor in October a new 5,000 seat arena would be built on this site.

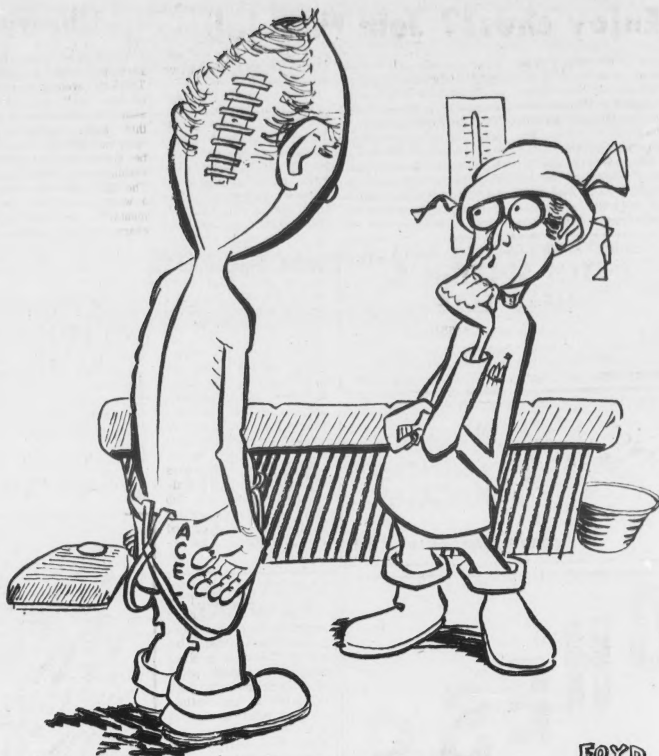

There are a number of disadvantages to this site, the major one being the cost of reclamation which would require an enormous amount of fill, with rough estimates in the hundreds of thousands, up to a half million dollars.

The site is poorly located to serve the present community, being some two miles from downtown and considerably further from some newer neighborhoods. Thirdly the access road would need a great deal of upgrading and involves crossing a railway track. The alternative is presumably a new access road. Both the reclamation work and the road work would take two or more years to complete, according to one local businessman in the field.

On the other hand the brief of the Chamber of Commerce to the Provincial Government asks the co-operation of government departments for funding the reclamation of the lagoon site as a light industrial park. In this case the track would become a distinct advantage instead of a detriment.

And secondly sale of industrial lots could provide funds for developing more appropriate recreational sites. It may well be that a number of neighborhood recreation facilities would serve St. Albert better than a single major complex.

Perhaps St. Albert could learn a lesson from the Village of Bon Accord which owned an area which could have been used for recreation but was not entirely a suitable location. The Village land was sold for building lots and the funds acquired were used for a new site and assistance for an arena.

FOYD

I RECOMMEND YOU LAY OFF TELEVISED FOOTBALL FOR A WHILE..

to the Editor Cheapskate Arena

I take strong exception to the statement made by the Mayor at a recent Council meeting, in calling our arena a 'Cheapskate Arena.' It must be quite a blow to the Kinsmen Club and other service organizations, as well as to the great number of volunteers that put so much free time to get the arena built in the first place. If we had not of constructed the building when we did, we

would probably still be playing outdoors.

This town badly needs another arena for hockey, figure skating, power skating and public skating. There is also talk that when the downtown core is developed the arena will go. I would hate to see that day and so, I am sure, would everyone else.

Larry Mitchell,
Sturgeon Heights.

A good breakfast start can brighten your day

Part of the secret of feeling good in the morning is attitude — an interest in the world around you, in other people, in your work, in your hobbies. But there is more to it than attitude.

Good health can make you feel full of vitality, ready for action and challenge. So-so health can make you feel listless, lazy, indifferent, irritable.

Without a proper diet, adequate sleep, frequent exercise and a satisfying balance of work and recreation, it is impossible to achieve and maintain good health.

Since there are over 60 known nutrients in food, nutritionists recommend eating a well-balanced variety of foods at regular intervals at least three times a day.

They also stress the importance of beginning the day with a good breakfast. After many hours without food, the body is in greater need of nourishment than at any other time of the day.

With a fruit or juice rich in vitamin C, a bowl

It takes more than attitude to feel great in the morning. Good health, of which good nutrition is a vital component, is necessary for a sunshine start in the mornings.

of corn flakes or other ready-to eat cereal, milk and bread with butter,

it's easy to fulfill the nutrient needs for the first meal of the day.

Enjoy chess? Join the club

Last Wednesday evening several citizens of St. Albert, headed by Stewart Embleton, met at Mission Clubhouse for the first meeting of the St. Albert Chess Club. The purpose of this meeting was to organize the club and plan its activities for the year. However the club needs at least 15 to 20 members to make these activities pos-

sible and only half a dozen people attended.

Membership is open to all interested people. At this time there are no plans to teach the game, but this can be arranged if the demand warrants it. If enough youngsters are willing to participate a Junior club will be formed. For anyone who likes chess the club will

provide a meeting place and a regular time to play the game with others who share a common interest.

Since the club is in its formative stages no equipment, such as chess sets, have been acquired. This will be done as soon as the membership has reached its minimum level. Until that time, participants will have to provide their own sets.

Mr. Embleton has plans for several different activities to offer a little variety during the year. There are several contests which can be carried on within the club, such as speed tournaments, handicap tournaments, and ladder contests. In a ladder contest names are arranged in a pyramid, and a player in one level can challenge a player in another level. The winner of the game moves up one level and the loser moves down. Tournaments can also be set up outside the club with against organizations in other areas, Sherwood Park or Edmonton for example.

Last Christmas Mr. Embleton tried to get a chess club going but with little success. The need for more participation and greater organization was named as the reason. This year he hopes that more residents of St. Albert interested in the game will come to the meetings and contribute to the planning of the club. The next meeting is Wednesday, October 16 and every Wednesday following at 7:30 p.m. at Mission Clubhouse. Bring your chess set if you have one, and spend an enjoyable evening playing a challenging game with people who share your interest.

Library begins cable T.V. show

The St. Albert Public Library will begin a regular Thursday evening program on St. Albert's own television channel, Channel 11 of this week. The program, aptly called BOOKENDS, will be shown every Thursday evening from 8 to 8:30 p.m. The half hour will feature a weekly community commentary done with puppet characters, in addition to

reviews of books of current interest, interviews with interesting local people and a regular feature on the library's many services. Bookends will truly be a community program aimed at informing residents of St. Albert of the wealth of activities available in our Town. Bookends will welcome your suggestions for future programs. Please watch and

let the library know how they're doing.

**If you think advertising is a bunch of baloney,
why are you reading this ad?**

You read to learn.

Through reading you learn about things you have never experienced. Reading brings new ideas and thoughts into your life. It opens up a whole new world.

That's what advertising does. It communicates information from

one source to another. Advertising familiarizes you with a product, bringing this product to your attention, by putting it in front of your eyes. Advertising gives you a choice by giving you the opportunity to make up your own mind.

That's why advertising is a freedom. The freedom to know quality and what is available.

You read and listen to advertising to obtain information.

Information on just about anything.

Including the price of baloney.

This advertisement is one of a series created by volunteer advertising agencies for the Canadian Advertising Advisory Board, CAAB, representing advertisers, agencies and media, serves as the all-industry link with government and the consumer public.

Local film society formed

An often heard lament in St. Albert has been the lack of a local cinema. Now several film buffs have started to rectify this situation by meeting to form the beginnings of a local film society to be called the St. Albert Community Cinema. The chief purpose of this group will be to bring films of all types to St. Albert and to make these films available to the general public.

The St. Albert Commu-

nity Cinema will operate as a non-profit organization with memberships available at \$2 a year. It is intended that films will be shown every other week, probably in a local school but preferably not in school gyms.

At a formation meeting this past week an interim executive of five members was formed to start programming for the fall. Members of that executive are: Ardis Kamra, Sheila Ross,

Chris Hewitt, Don Mills and Brian Minelly. The executive represents across section of the community and includes representatives from both local high schools and as well as the public library and PSS Board.

It is planned that the first offering of the St. Albert Community Cinema will be the local joint sponsorship of a series of film evenings put together by the National Film Board from their most

recent short films. This series, called the Cine Chatoua, will begin on Thursday, November 7, with an evening of films on town planning and alternate urban life styles. Further announcement will be made of this first program. It is envisioned that the Community Cinema's first feature film will be shown in late November and other feature films will follow at two week intervals, including a special Christmas family feature. Membership in the St. Albert Community Cinema will be available at the November 7th program. Plan to support this local organization that will endeavor to be responsive to YOUR cinematic wishes. Join the St. Albert Community Cinema.

Picture shows link Robinson well known Canadian Choreographer with dance teachers from St. Albert and Edmonton area. It was taken at the dance workshop held at the St. Albert School of Dancing Studio's over the long weekend organized by Mrs. Smith and Mrs. Hughes. It was attended by 100 children and 20 dance teachers.

Junior Bruins open hockey season friday

The opening game of the six team Capital Junior Hockey League will be played this Friday night in St. Albert when the Leduc Galaxie Riggers will be here for a game against the Bruins. The game time is set for 7:30 p.m. with pre-game ceremonies starting at 7:15. Larry Mitchell will be master of ceremonies and will introduce both teams and have M.L.A. Ernie Jamison drop the first puck of the season to officially get the schedule underway.

Both clubs will be starting their third in the three year old league and coaches Ken Schwartz of the Bruins and Ed Wilson of Leduc will be out to improve on last season's performance. St. Albert finished in fourth and final playoff spot with a record of 12 wins, 15 losses and three ties while Leduc ended up in fifth place with five wins, 19 losses and six ties record. Schwartz and Wilson feel they are at least 25 per cent stronger and are looking forward to a good season.

Bruins will play a 30 game schedule which starts on Friday and finishes Feb. 23. Their 15 game home schedule will be played mostly on Fridays, Tuesdays and Sundays and all games are set for 7:30 p.m.

Schwartz and new manager Don Parenteau have been very pleased with the team's workouts so far and probably will have the biggest team in the league. They are shooting for second or third place by season's end and just might have the boys to do it. Most of last years players are back as the league raised the age limit one full year.

Each club is also allowed to have six imports from outside the territory and this will enable some of the local talent a chance to make the team where they may not have been able to do so before with no restrictions. Bruins also participated in the leagues player equalization draft and some of the 11 players drafted are showing well in practice.

Although the Bruins are now down to 22 players and two goalies they probably won't make any more cuts until they have to register their 19 players midway through December. The first three or four games should tell the tale as to who will stay.

CRAIG NEESER

GARY FERGUSON

The starting line up for Friday's opener will probably see second year man Carey Winquist in goal with Miles Goodwin from the U of A Junior Bears as the backup.

Defensemen returning to the club will be Marcel Tourangeau, Jim McComb, and Jim Edwards. Tourangeau and McComb are also playing with injuries picked up in camp as Tourangeau was cut above the left eye for eight stitches while McComb has a sore right knee. Edwards will probably get into three games as he has been accepted into the RCMP and will be leaving for training soon. Other blueliners will be Jim Tarasuk, Brent Schulte, Bo Andersen and Wayne Kuzlo. Tarasuk and Schulte are from Edmonton while Andersen is one of two players on the Bruins that hail from Denmark. Kuzlo is a local boy that has skated all summer and is giving it all he has and will probably make the team.

Exact forward lines are not set as yet but Friday's game will probably see Duane Oberen centering Craig Neeser and Alex Jensen. Andy Hansen (Denmark) will pivot between the two O'Nells, Tim and Mike while the third line will have Bob Henderson centering Gary Mann and Gary Ferguson. The fourth line will see Bob Fern or Doug Ferguson centering Larry Sloan and Matt Lister. There are three or four other prospects but their decision won't be known until game time.

Bruins will have probably the best equipment manager and trainer in the league in Rene (Max) Poullot. Ole Jensen will help Max out.

St. Albert peewee's do well in soccer finals

"We were in a position to win but didn't." These were the words of St. Albert peewee soccer coach Herman Kochan upon arriving back from the Western Canada Minor Soccer championships held in Winnipeg last weekend. The team won one of three games played and were in the other two up until the final whistle. With a little luck they could have come home with the championship.

St. Albert left Edmonton early Friday morning and arrived in Winnipeg via Air Canada after a seven hour stop-over in Regina while a landing gear was being repaired. The team was met at the Winnipeg airport by boys and parents from Winnipeg and were billeted out. Some 14 adults from St. Albert went down with the team and all stayed at the Grant Hotel which was the centre of activity for the visiting teams.

St. Albert played its first game Saturday morning and lost a tough 5-2 game to

British Columbia that went into two periods of overtime. St. Albert took an early 1-0 lead on Troy Murray's goal only to see B.C. come back with a pair of goals to lead 2-1 at half time. Joe Ainsley scored in the second half to send the game into overtime. St. Albert appeared to let down just a little and B.C. took advantage of it and also the wind as they scored three goals to take a 5-2 win. St. Albert had a few good scoring chances in regulation time but just couldn't find the net.

Their second game of the day saw them play Manitoba at 5 p.m. and they lost a close 2-0 game. Manitoba scored two goals in the first half with the wind behind their backs and held off a determined St. Albert squad in the second half to win. St. Albert controlled play in the second half but again did everything but score.

Sunday morning the team played their best game of the tournament as they completely dominated Saskatchewan with a 7-0 thumping. Coach Herman Kochan took Norman Odinga out of his regular spot as a halfback and played him at forward where he responded with three goals. Paul Mace and Paul Kelly scored a pair each to complete the scoring. British Columbia defeated Manitoba 2-1 in overtime to win the championships and a trip to the Canadian finals later

this month in Toronto.

Coach Kochan and manager Terry Ainsley were overwhelmed at the excellent hospitality of the citizens of Winnipeg for all of the many things the city did for the boys and parents. Each member of the St. Albert team as well as the other provinces received Manitoba Centennial silver dollars, pens from Mayor Stephen Juba, passes to the Pan Am swimming pool and a host of other things. Saskatchewan gave each boy a kit outlining their pulp industry while B.C. gave out team crests to all the members.

Members of the team are: Tim Schrader, John Flammend, Brian Hunt, Tony Behiels, Norman Odinga, Dennis O'Neill, Ricky Gray, Keith Heyburn, Troy Murray, Paul Kelly, Brent Yurkiw, Joe Ainsley, Paul Mace, Coach Herman Kochan and manager Terry Ainsley.

Parents making the trip were Mr. and Mrs. Kochan, Mr. and Mrs. Kelly, Mrs. Ainsley, Mrs. Heyburn, Mrs. Behiels, Mr. Schrader, Mr. Gray, Mr. Mace, Mr. and Mrs. Flammend and the parents of the Flammends.

The team would also like to thank the people that sent their name on a telegram that arrived with about 380 names to cheer the boys on. Also a big round of applause to the Hercules Sports Club for all their effort throughout the season.

Kinsmen Coaches Clinic

The Kinsmen Minor Hockey Association will hold their annual Coaches Clinic this weekend with both classroom discussions and on-the-ice instruction. The clinic will be run by Mr. Doug Milne of Edmonton and will be the same as the University of Alberta course. All three levels of coaching will be taught and will be most useful to the coaches. All minor league coaches that have signed up to coach this year are asked to attend if at all possible.

Saturday's session will begin at 9 a.m. to 11 a.m. at the Sir George Simpson school assembly room, on-ice instruction at the arena from 11 - 12 noon and back at the school from 1 - 5 p.m.

Sunday's program will start at 9 a.m. to 12 at the school, from 1 - 2:30 at the arena and back at the school from 3 to 5 p.m.

The Bruin management would like to take this opportunity to thank their many fans of the last two years for their support and hope they will come out again and see some exciting junior hockey.

Carma Developers win final league game Playoffs start sunday

St. Albert's Carma Developers bantam football team ended up the regular schedule of the Edmonton and District Bantam Football League with a 22-0 win over White Truck Sales Sunday at Kinsmen Park.

Offensively the team played well but the defense left something to be desired and will have to be worked on this week in practice if the team hopes to do well in playoffs that start this Sunday.

St. Albert will play a sudden death game with the Capilano Maulers, third place finishers in the south division. St. Albert finished the

regular schedule with six wins and only one loss to hold down second place in the north division.

Of the seven games St. Albert played they were only scored on once and that was a 20-12 loss to Canada Safeway who were undefeated in league play. St. Albert scored a total of 241 points for a game average of 34 per game.

Sunday's game saw Paul McCann, Jordan Johnston and Jim Scheibelhofer score touchdowns while Peter Tworek kicked a convert and Roy Galloway got a safety touch when he tackled a White Truck player in the end zone.

McCann's touchdown came on a triple reverse with quarterback Joe Tworek hitting McCann with a pass that went about 50 yards. Jordan Johnston's also came on a pass from Tworek and went about the same distance. Tworek was hot with the pass as he completed 14 of 18. Scheibelhofer blocked a punt and recovered it in the end zone for a major. This is his third of the year by the same route.

The exact game time for Sunday's playoff has not been set as yet but will be between 11 - 12 in the morning.

"Growing Together" Agriculture Week Slogan

"If Agriculture Week's slogan 'Growing Together' refers to consumers and producers, Uniform is delighted," says Uniform President Dobson Lea.

"For some time now, news stories relating to the cost and supply of food have been exploited, creating a growing image of irresponsibility and 'quick-dollar' deals by farmers.

"What often happens," says Mr. Lea, "is that when farmers, who want to produce on a stabilized responsible basis, ask for a fair return on the large capital investment needed in today's era of farming, consumer groups quickly imply 'rip-off'."

Farmers do not often get much more than a small portion of increased food prices because of rapidly escalating costs of land, labor, transportation, food that

Fulham, (and it will be both) the plant will be built for a continent in desperate need of new energy sources. The most the community can expect to accomplish by responding to the invitation for submissions would be to ask for a lower permissible rate of emissions, and possibly a yet higher stack intruding upon our view of the sunset.

they themselves have to buy in addition to the much higher cost of almost everything the farmer uses to produce that food, according to the Uniform President.

"When this happens in other sectors of our society, the bargaining process starts

generally with public sympathy directed to labor groups, who in most cases do not have capital intensive interests," he says.

JASPER THE BEAR

'He never retires for the winter without buying a new Canada Savings Bond'

Kinsmen Double B Hockey Practices

Practices for the Kinsmen Double B teams that will represent St. Albert in the provincials this season will start this week for all four teams involved.

The peewee team sponsored by New Holland Farm Equipment and coached by Al Laplante and Ed Rusnak will practice Saturday, Oct.

19 from 12:30 to 2:45 p.m.

The bantams, coached by Doug Millroy will practice Saturday, Oct. 19 from 3 - 5 p.m.

The midgets sponsored by the St. Albert Sportshop will again be coached by Doug McConachie will practice Thursday, October 17 from 7:30 - 10 p.m.

The juveniles have had their practices and all players reporting will be called by coach John Ewen when further practice time has been scheduled.

Players are asked to attend in full uniform and bring your own stick.

Mini-Mite Division League Champions, who played their final game October 7 at the Lorne Akins pitch, with trophy and mascot at centre foreground. Kneeling are Brent Ferguson, left, Gary Rusnak, Craig Smith, Paul Yurkiw, (captain); Brad Ferguson, Bradley Lyle, Brian Hauptman and Sean Sorby. Back row: Graham Hogg, David Gaudet, Kelly Mateur, Gary Phillips, Jurgen Sumann, David Schlotke, Stephen Kochan and Coach John Ferguson. Trophy is awarded on the basis of league play for the entire season.

"You have no idea the trouble I had getting that fire started."

J. WESTRA, MANAGER

Advanced polls show good response

Chief Returning Officer, Russ Bowen, states that the advanced polling more than doubled over the last election with 58 ballots cast. He termed it a good turnout for the advanced polling which were held between 4 and 8 p.m. last Thursday and Friday. There were only 27 votes cast at the advanced poll at the time of the last election which had a final turnout of nearly 50 percent of the eligible voters. One could speculate that the advanced return may indicate that the election turnout may

top the 50 per cent mark this time.

An impressive list of candidates are running for a total of 20 positions in this year's civic election. The voters have a total of two candidates running for mayor, an even dozen running for the six council spots, seven competing in each of the school divisions for five seats in each, and four candidates running for three hospital board seats.

The two individuals running for the position of mayor are incumbent Ray Gibbon

and challenger Dick Plaln. Each of these men generate controversy with their views in opposing corners which should lead to considerable interest when the voters demonstrate which of the two schools of thought they wish to support.

The 12 persons running for the positions available on council will find that they will have to pay special attention to the results for one half of them will turn up losers at the end of the evening on October 16. To run through the names; J. J.

Bakker (Incumbent); B. Breadner, J. W. de Bruln (Incumbent); M. C. Fyfe, (Incumbent); R. L. Hudson (Incumbent); C. Keyes, F. J. Lukay (Incumbent); J. R. Sanborne, C. Schroeder, M. A. Smith, R. L. Thordson (Incumbent), and G. G. Wetsch. These persons have generated a considerable amount of interest with their differing views on the future of St. Albert and through a series of public forums and election campaigning of a intense nature have succeeded in turning this election into one of the most hard fought.

The candidates for the School Boards have also held a stimulating campaign and in each case there are seven candidates running for five seats. Candidates for district #3 are: M. J. Broten, P. Freeman, E. Howrith (Incumbent); E. Lockert, J. B. Poulin, S. J. Sloben (Incumbent); and S. Walsh (Incumbent). The candidates for School District #6 are: W. D. Cuts (Incumbent); K. H. Easson, M. McFarlane, S. McCaffery, D. C. Munro (Incumbent); W. W. Webber (Incumbent), and E. P. Wyny-

chuck. They have been conducting a very active election campaign with forums.

The election of hospital board trustees has not had the same intensity found in the other categories but nonetheless has drawn attention. Four persons are running for the three available seats and only one person has come forward to challenge the three incumbents. Running are D. J. Colinner (Incumbent), J. W.

de Bruln (Incumbent), A. J. Donalds, and W. C. Ford (Incumbent).

Citizens of St. Albert will be voting on October 16 for their wishes in the Mayor's office, in Council, on the School Boards, and the Hospital Board. At the same time voters will be asked a question regarding industry in the Town of St. Albert. The plebiscite will be of a yes or no form for industry in the Town.

A DIVISION OF BEAVER LUMBER CO. LTD.

Armstrong's Men's Wear opens on Grandin Mall

Armstrong's Men's Wear, located on the Grandin Shoppers Mall, celebrated its Grand Opening on Thursday, October 10.

Gene Lytwyn, manager of the new store, reports that shoppers can expect to find the quality and merchandise one can purchase in the City of Edmonton being brought out to the St. Albert store with competitive pricing retained. Complete line of brand name, quality merchandise are on sale at present and Mr. Lytwyn advises that clothing will be more expensive in the future than it is now, so it may be well to purchase now.

"The idea is to try to retain the established clientele," says Mr. Lytwyn, "while moving to serve the new residents of the Town." He reports that they are carrying everything preferred by the more mature man but are not neglecting the styles which are appreciated by the fashionably dressed of younger status. He also said that the popular casual styles have not been forgotten at the expense of providing clothing for those times when more formal dress is in order.

What can you expect from Armstrong's Men's Wear? The store is filled with suit shirts, complete lines of men's clothing, sports coats, and slacks. There are casual suits, or as they are known in the clothing trade, non-suits. They have a complete

line of leather wear, accessories (shorts, belts, socks, haberdashery), neck wear, wrangler jeans and cords. Mr. Lytwyn says what you don't see he'll get with stock arriving weekly.

Mr. Lytwyn states that he hopes that the men of St. Albert will come out and see what they have to offer and will make Armstrong's Men's Wear their regular men's clothing centre. They are open until 9 p.m. which gives men the perfect chance to drop in and shop at leisure. A staff of courteous and congenial personnel are available to offer aid.

Gene Lytwyn has been in the clothing business for 17 years in Edmonton with several downtown firms. He says that his experience in the business has left him with a better than average background and knowledge of the clothing preference of the man of the day.

Mr. Lytwyn has been a St. Albert resident since November of 1972, living in the Forest Lawn area. His wife Dawn and his two children, Jill (6) and Jody (2 1/2) join with Gene in saying that they are enjoy-

ing their life in the Town. The Lytwyn's were long term residents of Edmonton, Gene had lived in the city for all his life, but they state that when the opportunity came up to move to St. Albert they jumped at the chance. "It is a quieter, more progressive, friendly and community minded town," says Gene.

Gene is in partnership with Doug Armstrong, president of Armstrong Clothiers, St. Albert Limited. Mr. Armstrong is a 20 year veteran of the clothing business. Mr. Armstrong started out on his own in 1965 in the Bonnie Doone Shopping Centre expanded to Sherwood Park and the Eastgate Shopping Centre. When Mr. Armstrong and Mr. Lytwyn got together they decided to purchase Jim Byrne's Men's Wear and in June of 1974, Jim Byrne's was closed out and Armstrong's Men's Wear went into business.

"We hope to give the men of St. Albert the finest and latest men's wear, stressing service, satisfaction, and virility," states Mr. Lytwyn. "Drop in for a chat."

David Auton (right) who works at the newly opened Armstrong's Men's Wear store on the Grandin Shoppers Mall is wearing a possum colored leather jacket which is part of the stock of leathers at Armstrong's. Manager, Gene Lytwyn (left) invites shoppers to drop in while the grand opening is going on. A suit, sport coat, ski jacket, two pairs of slacks, wool sweater and custom leather bookends will all be given away as part of the complimentary draws being conducted in conjunction with the grand opening.

PUBLIC NOTICE

THE SCHOOL ACT, 1970 (Section 7)

BY-LAW NO. 5/74

- c) providing furniture and equipment at an estimated cost of \$45,000.00
d) in the Lacombe Park Subdivision of St. Albert.

all of which have been authorized under Order No. 6834, issued by the Local Authorities Board, dated 8 March, 1974.

WHEREAS DUE TO INCREASED CONSTRUCTION COSTS AN ADDITIONAL AMOUNT OF ONE HUNDRED AND SIXTY THOUSAND DOLLARS (\$160,000.00) IS REQUIRED TO COMPLETE THE AFORESAID PROJECT.

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the electors of the said School District for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

CHARLES SCHRODER, CHAIRMAN

Dated at St. Albert this 9th day of October, 1974.

By the Board of Trustees of the St. Albert Protestant Separate School District No. 6 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the St. Albert Protestant Separate School District No. 6, of the Province of Alberta, that the additional sum of One hundred and sixty thousand DOLLARS (\$160,000) should be borrowed on the security of the said District by issue of debentures repayable to the bearer in 25 consecutive annual instalments with interest at the rate of not more than twelve per cent (12%), for the purpose of supplementing the increased cost of:

- a) landscaping Site at an estimated cost of \$20,000.00
b) erecting a Frame and Masonry Community Core School to consist of:
6 general classrooms, 1 Early Childhood Service Facility,
1 Science Experience Classroom, 1 Ancillary Classroom, 1 Library
1 Gymnasium (2-Station), 1 Stage; Administrative Centre consisting
of 1 Principal's Office, 1 Vic-Principal's Office, 1 Counselling
Area, Secretary and General Administration Area, 1 Administration
Conference Room; Staff Centre consisting of 1 Staff Common Room,
1 Staff Work Room, Staff Lavatories; plus 1 Gym Storage Room,
Physical Education Offices, Shower and Dressing Rooms, 1 Infirmary,
1 Lunch-Study Room including Kitchen facility; plus provision for a
"plug-in" of another 8 classrooms; at an estimated cost of \$752,000.00
including Architect Fees and water supply and sewage disposal system.

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BY-LAW
IN A DISTRICT - (Sections 2 (e), 3 and 104 - The School Act, 1970)

"Elector" for the purposes of petitioning for a vote on a debenture by-law means a person:

- (i) 18 years of age or older,
- (ii) who is a Canadian citizen or British subject, and
- (iii) resident, in the case of petition, in a district or division for at least the 12 months immediately preceding the day on which the petition is presented;

A poll respecting the aforementioned borrowing may be demanded in a School District Division by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Sections 2 (E), 3 and 104 of The School Act, 1970. The petition must be signed by at least

- (a) 2 per cent of the electors in a district or division having 10,000 electors or more, or
- (b) 5 per cent of the electors in a district or division having less than 10,000 but 5,000 electors or more, or
- (c) 10 per cent of the electors in a district or division having less than 5,000 electors but 500 electors or more, or
- (d) 15 per cent of the electors in a district or division having less than 500 electors, and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

Services held for Adele Comeau

On October 1, 1974, Mrs. Adele Comeau, age 78 years, passed away in the Youville Home, St. Albert, after a lengthy illness. She was the oldest daughter of Mr. and Mrs. Adelard Guilmet, who came to the west in the spring of 1892, from St. Rose de Laval, Montreal, Mr. Guilmet came with his young wife and a number of settlers. Revere J. B. Morin was the colonizer.

Mrs. Comeau leaves to mourn, three brothers, Willie, Fred and Simon, one sister Lina (Mrs. Euclide Blais). She was predeceased by one brother Alex, Oct. 22, 1967 and one sister Florina (Mrs. Joe Savole) Jan. 28, 1930.

Prayers were held at Connelly and McKinley, funeral mass at St. Joseph's Church in Edmonton and burial took place in the Villeneuve Cemetery.

etery.
Pallbearers were her six nephews, Ed and Armand Savole, Adelard and Hubert Guilmet, Ralph Guilmet and Paul Guilmet.

The family would like to thank all our relatives and friends for their kindness, and also thanks to the staff of the Youville Home.

University Women to discuss 'Boomtown' Edmonton

The October general meeting of the University Women's Club of Edmonton will be held at 8 p.m. on Monday, October 21 at the Northern Alberta Institute of Technology Auditorium (11762 - 106 Ave.). The program for the evening will consist of a panel discussion debating the topic

"Boomtown Edmonton." Concerns such as Edmonton's future planning, its growth, and the resulting pollution problems will be considered. Mrs. Sheila Abercrombie, who was an original member of the Edmonton Anti-Pollution group and who is now working on a study for the Alberta En-

vironmental Research Trust on "Women and the Environment" will be one of the panel members. Others will be Mr. David O'Neill, director of research and long range planning with the City of Edmonton, and Mr. Dennis Wighton, a departmental administrator in the Biology Department at the University of Alberta.

Come and hear about the future of our city! All women university graduates are welcome. For further information phone 435-1214.

Live. Love. Laugh. And be happy. At Eaton's CIAO ITALIA. And forget that it's October in Edmonton. Pretend you're in sunny Naples. The Isle of Capri. Strolling down the Via Veneto in Rome. Eaton's takes you there. Two beautiful weeks of Italy, October 12 to 26, Downtown and Londonderry. So, come live it up. Sway to the music of our Italian accordionist, the rhythm of our folk dancers. Fall in love with an Italian knit, a silk shirt, a soft kid bag, and ceramic tiger. Or pick straws. Laugh. Be happy, and enjoy Italy's good taste at Eaton's. Choose something typically Italian from our CIAO ITALIA menus in the Homesteader. Slip an espresso in our friendly Caffè Espresso. Heap your basket with pasta and cheese in the Italian Market. Follow Tony's pizza as it flies through the air with the greatest of ease. Then lands neatly for you to try. Two tempting weeks steeped in the flavour of Italy. Around both stores. Isn't Italy wonderful?

The wedding party, photographed following the October ceremony uniting Sharon Fehr and Ken Griep at St. Patrick's Catholic Church in Edmonton. Sharon's sister, junior bridesmaid is seen at left, and her brother Tom, ringbearer is at left. Sharon is a former St. Albert resident.

Griep - Fehr Wedding

Sharon Fehr, originally of St. Albert and now of Peace River was married to Mr. Ken Griep of Peace River on October 5 at St. Patrick's Catholic Church, Edmonton. The scripture lesson was read by Brian Gracek, friend of the bride and groom.

Following the ceremony a banquet and reception was held at the Sheraton Caravan, when Mr. Peter Fehr of Calgary, grandfather of the bride, was master of ceremonies and said Grace. The bride's grandmother, Mrs. Peter Fehr made the wedding cake which centred the wedding table and her great uncle, Dave Fehr, decorated it in yellow daisies and hearts. A toast to the bride was proposed by Mr. Guy St. Arnaud.

The bride wore a floor length gown of white polyester, complimented by a shoulder length lace veil, held by a rhinestone tiara. She carried a bouquet of white mums with ivy. Her two attendants wore coral gowns in the same material as that of the bride. Jr. bridesmaid was her sister Diana, who wore a matching yellow gown. All the attendants carried bronze mums with yellow daisies.

The groom and his attendants wore identical brown tuxedos with black trim, and shirts in coral shade. Ring-

bearer was the bride's brother, Tom, who wore a navy jacket with white pants and yellow shirt.

The mother of the bride wore a floor length gown of navy crushed velvet, and the mother of the groom chose a long gown of pink polyester with a brown mink stole. Both mothers had identical corsages of variegated pink baby carnations.

Following a honeymoon trip to British Columbia, Sharon and Ken made their home in Peace River.

Snug as a bug!

Probably not yet, if you've just moved in.

Perhaps your Welcome Wagon hostess can help to ease the confusion.

Glowing Grapefruits

Here's a sweet way to get your vitamin C that's also a hot idea for sparking off a meal - or a morning.

GRAPEFRUIT AFLAME

1 large seedless grapefruit
2 tablespoons brown sugar
1 teaspoon butter
2 teaspoons whiskey or rum
2 tablespoons whiskey or rum for flaming (warmed)

Halve grapefruit and cut around sections to loosen. Combine brown sugar, butter and 2 teaspoons whiskey or rum; spread grapefruit halves with mixture. Place grapefruit on broiler pan and set about 4 inches below heat in a preheated broiler. Broil about 8 minutes until bubbly and starting to brown. Before serving, ignite warmed whiskey or rum and pour flaming over broiled grapefruit halves. Makes 2 servings.

Both the sight and the taste of this treat should prove to be unforgettable!

Baha'i wedding in St. Albert

On Sunday, October 13, the Baha'i marriage of Jackie Blekmore, formerly of St. Albert and Joe Archer of Fort Smith, was held under the auspices of the Local Spiritual Assembly of the Baha'is of St. Albert at 76 Sunset Blvd. Both Jackie and Joe are currently attending the University of Alberta.

During the ceremony Baha'i writings and prayers were read by the parents of the bride and groom and close friends; music was composed and performed by Jason Sheper. The theme of the readings concerned the nature of marriage as a law laid down to strengthen the social fabric, to knit closer the ties of the home, to place a certain gratitude and respect on the part of children to those who have given them life and sent their souls out on the eternal journey to their Creator. Baha'i marriage stresses the responsibility of the couple to become informed of each other's character, basing their relationship on both spiritual and physical attraction, and, to obtain the consent of all living parents.

Present were Mr. and Mrs. Keith J. Blekmore of Victoria, B.C. (parents of the bride), Mr. and Mrs. John C. Archer of Beaverlodge, Alta. (parents of the groom) and over 60 friends and relatives from Cambridge Bay, Fort Smith, Hay River, Grande Prairie, Leduc, Camrose, Calgary, Edmonton and St. Albert.

A unique feature of this wedding was the presentation by the bride and groom of gifts to their parents as a thank you for their love and support in bringing them to this day.

The ceremony was followed immediately by a reception which included a Chinese meal and a three-tiered wedding cake in white and gold, decorated with unpointed stars, a symbol of the Baha'i Faith, and topped by two glass birds which recalled a quotation from the wedding service: "Be like two sweet-singing birds..."

Because of the pressure of mid-term exams, the honeymoon will be postponed until the Christmas break and spent in Hawaii.

The Public Utilities Board for the Province of Alberta

IN THE MATTER OF "The Public Utilities Board Act," being Chapter 301 of the Revised Statute of Alberta, 1970;

AND IN THE MATTER OF "The Gas Utilities Act" being Chapter 158 of the Revised Statutes of Alberta, 1970;

AND IN THE MATTER OF rates for gas supplied and services rendered to be charged by NORTHWESTERN UTILITIES LIMITED, a gas utility.

NOTICE OF PUBLIC RATE HEARING

APPLICATION has been filed with the Public Utilities Board by NORTHWESTERN UTILITIES LIMITED (hereinafter called "the Applicant") for an Order of the Board fixing and approving just and reasonable rates, charges or schedules for natural gas to be supplied by the Applicant.

NOW, THEREFORE, the Board hereby gives notice to all parties who may be interested that the Board will hold a preliminary hearing at the offices of the Board, 11th Floor, Manulife Building, 10055 - 106 St., Edmonton, Alberta, at 9:00 a.m. on Wednesday, November 13, 1974, in order that dates for filing material and hearing of interested parties and the procedures to be followed with respect to the conduct of the hearing may be reviewed and determined.

FURTHER, the Board will sit at the Court House in the City of Edmonton at 9:00 a.m. on Thursday, December 12, 1974, and continuing if necessary, on Friday, December 13, to hear the application of the Applicant for the fixing and approval of interim rates pending their final determination by the Board.

FURTHER, the Board advises that those parties who wish to take part in this hearing may apply to the Applicant, whose address is:

NORTHWESTERN UTILITIES LIMITED
 Milner Building, 10040 - 104 Street,
 Edmonton, Alberta,
 (Attention B. M. D'aoe)

for copies of documents to be filed at the hearing. DATED at the City of Edmonton, in the Province of Alberta, this 10th day of October, 1974.

PUBLIC UTILITIES BOARD,
 11th Floor, Manulife Building,
 10055 - 106 Street,
 Edmonton, Alberta.

S. M. BARNETT, SECRETARY.

Goodbye to Father Colin Levangie

The Roman Catholic Parish of St. Albert said goodbye last Friday night to Father Colin Levangie, 34, who had been parish priest here for the past nine years.

St. Albert was Father Levangie's first parish.

He has taken up other duties in Edmonton where he now runs a vocational centre for young people and is also a director of an audio-visual centre run by the Oblate Fathers in Edmonton.

Father Levangie told the Gazette this week he is enjoying his new work, but he said, referring to St. Albert, "I still look down to the North and smile."

Father Levangie was given

a fine send-off from the parish in the basement of the parish church.

The evening began with mass at 7 p.m., followed by coffee and presentations. First off a class of grade four children from the Vital Grandin School sang a song they had composed about Father Levangie and then presented him with a scrap book. On behalf of the CWL, Shirley Sutherland presented Father Levangie with an engraved desk set, then Grand Knight of the Knights of St. Columbus Don England presented him with a cheque. Following this he was then presented with a plaque and a certificate for his participation in the annual bike-a-

thon by John Kaminski, the past president of the Lion's Breakfast Club. Father Levangie then received two other presentations, a plaque from the Town of St. Albert presented by Councillor Frank Lukay, then a purse and a plaque from St. Albert Parish presented by parish council chairman Mel Bosch. Bud Gau emceed the presentations.

Father Levangie was ordained in 1964 coming to St. Albert in 1965 - his first parish. Originally from Duck Lake, Sask., he studied theology at the University of Ottawa, receiving a BA from that university.

He also took a course in community development at the Coady Institute, St. Francis Xavier University, Nova Scotia.

It was while working in St. Albert that Father Levangie became involved with vocational guidance, taking time with young people who needed help in finding their own vocations within a theological framework.

Although Father Levangie said he missed working with the 1500 odd families in the parish, he pointed out that he is taking up the challenge of his new work which involves working intensively with smaller groups.

Notice of Cancellation of Lanes

WEST AND NORTH OF LOTS 1, 2, 3 & 4, PLAN 1859 AW
RIVIERE QUI BARRE IN PT. SW 29-55-26-4

The Council of the Municipal District of Sturgeon #90, intends to cancel the lanes north and west of lots 1, 2, 3 and 4, Plan 1859 AW in Pt. SW 29-55-26-4 and have area consolidated to aforementioned lots into one block.

A bylaw will be submitted to Council at the meeting to be held on November 14, 1974 at 2:00 p.m. in the Municipal Office at Morinville and which time objections in writing to the proposal will be received by Council prior to the approval of said bylaw. A person who claims that he or she will be affected prejudicially by the bylaw, shall be afforded an opportunity to be heard by the Council either by himself or by his agent.

Alphonse Nobert,
Secretary-Treasurer,
Morinville, Alberta.

Athabasca University Alberta's open university

Athabasca University is an open university because:

- it provides a second chance for those who are unable to attend conventional universities
- it has no formal admission requirements
- it has no central campus; its campus is in the homes of its students
- students can study at their own rate in their spare time
- it serves the adult community of the province
- registration procedures are exceedingly simple
- its faculty prepares self-instructional materials making use of modern techniques in the packaging of knowledge
- it provides direct assistance to its students through tutorials by telephone and by small group meetings
- it follows a continuous university year; students may commence a course at any time
- courses are published and open to public inspection and criticism
- courses may be taken for university credit or non-credit as the student desires

Alberta's Open University invites you to register in one or more of the following courses as part of its self-study program leading to an undergraduate degree

World Ecology: the Scientific Context
Serves as an introduction to the structures and processes of the natural environment, a scientific study of the relationships among living things

The Ancient Roots of the Modern World
The major works from Western and Oriental traditions will be studied for an understanding of the values, ideas, and forms which have persisted over long periods of time

An Introduction to the Study of Human Communities
The course explores the scope, objectives and approach of social sciences to the study of human society, along with their implications for living in today's world

Dr. L.W. Ferguson
Athabasca University,
14515-122 Avenue,
Edmonton, Alberta, T5L 2W4

All Alberta watching Vimy sewer sod turning

By Jim McIntyre

All of Alberta was watching the hamlet of Vimy last Wednesday as it took a solid step to installing Alberta's first low cost rural modified sewer system.

A crowd of about 150 hamlet residents and students watched gleefully as white helmeted St. Albert MLA Ernie Jamison strode up and into a back-hoe decked with red ribbons to perform the sod-turning ceremony. The people cheered as the machine's mechanical shovel hit into the gravel of the main street near the hamlet's community centre to inaugurate a new era in sewage disposal for hamlet residents. For them it represented the turn of the tide in their long battle to get a sewage disposal system which would eliminate the health hazard in neighboring fields and ditches at a reasonable cost.

With the sod-turning ceremony over, everyone went into the community centre to listen to the story of how Vimy, against considerable odds, managed to finance its

own plastic pipe sewer disposal system for one third the price of a conventional system.

Jim Henderson, chairman of the Vimy Coop, told how the people of Vimy got the go-ahead on their \$40,000 disposal system.

"One and a half years ago we came to the doors of the residents and got such a favorable reply that we took the case to the MD (of Westlock) and they encouraged us to go ahead. We then had further meetings and brought in the Sturgeon Health Unit," he said.

He told how Ken McAmmond, Senior Public Health Inspector for the Sturgeon Health Unit, along with MLA Ernie Jamison eventually organized a trip to Marshall Sask., where Mr. McAmmond knew a sewer system was operating at a price Vimy could afford.

"After further talks with Bob McLaughlin, Reeve of the MD of Westlock and Mr. McAmmond and Mr. Jamison we talked to Minister of the Environment Bill Yurko and it was clear that many

communities had inadequate sewer systems," said Mr. Henderson.

Before the sod turning ceremony Mr. McLaughlin told the Gazette that Mr. Yurko had been very concerned and interested "though the engineers weren't so enthusiastic."

The minister said they would make further studies and a firm was commissioned to this end. However when the results came out last year the costs were found to be prohibitive. But by then it was clear said Mr. McLaughlin we could do the job for one third the Department of the Environment's price. Finally, Mr. McLaughlin added, with the Vimy Coop going it alone, they (the Coop), came up against the problem of money so we said we would back them if something went wrong.

Mr. Jamison told the forum that he had been contacted by Mr. McAmmond one and a half years ago to attend a meeting of interested Vimy residents about the sewer problem. When we got to the meeting he said, the hall just kept filling until there was close to 100 people there. I felt this problem presented a challenge that I could really get my teeth into," he added.

He said that 400 centres had their eyes on what was taking place at Vimy and extended the Government's best wishes for the project's success. "Just carry on," he encouraged.

Also speaking during the proceedings Mr. McLaughlin said he hoped the people of Picardville were watching and that they would follow Vimy's lead. He praised the persistence of the community which "showed what the people can do if they push

hard from the grass roots level."

He pointed out that Vimy had put in the line and lagging and that there would be a mandatory hook-up to the system within a few weeks. Individuals who have not already done so must supply their own pump tank and line. This costs \$10 per month or \$1100 over a 20 year period.

Mr. McAmmond told the forum that Vimy was the first community in Alberta to have a modified sewage disposal system. "I have been here eight years," he said "and I have been concerned seeing the flow on the surface (of fields) and in the ditches as it may produce disease." He pointed out that in Saskatchewan's rural areas this system had been working very well for 10 years. One obvious benefit of it was that the water supply had far less chance of being contaminated.

He said the way they are playing in gas-lines these days it is quite feasible to put in sewer lines the same way.

Farmer's Advocate Helmut Entrup speaking on behalf of Dr. Hugh Horner, Minister of Agriculture, said he was amazed how Vimy had been able to get the system in for such low cost. He said it was certainly helping to fight inflation and added that it was cooperation which had enabled the community to have an expensive facility for one third of the price.

"What does the Farmer's Advocate of Alberta have to do with sewers?" he asked. "It's simple," he replied, "there are only a few urban centres in Alberta and the rest of the province is rural." He assured the people of Vimy that their financial needs were under active consideration by the Government so he urged them to carry on with "full steam ahead." He said he was all for the quality of life and was delighted that the health factors people in cities enjoyed were now available to Vimy.

When the new sewer system is fully operational it will mean that Vimy residents will no longer have to haul and dump sewage or have it contaminating their fields and ditches.

Cess-pool sewage will be a thing of the past once the lines are put down on Main Street and connected to homes.

Right at the centre of action, St. Albert MLA Ernie Jamison at the controls of a back-hoe digging a trench in the main street of Vimy for that village's low cost sewer system, the first of its kind in rural Alberta.

At the ceremony were Clay Crozier and Reeve Bill Flynn MD of Sturgeon, Hec Waters Department of the Environment, Glyn Williams, Public Health Inspector of Westlock, Peter Lee, Public Health Inspector of Red-

water and also John Podmore, the consultant engineer for the project.

Ewert Harder, Utilities Officer of Westlock chaired the meeting. Coffee and doughnuts were served afterwards.

MD looks at Vimy system

The MD of Sturgeon is making a cautious appraisal of the new sewage disposal system slated for Vimy.

At its regular meeting last week Councillor Lawrence Kluthe said that he was not quite convinced that the Saskatchewan system could go in as is "and be expected to be OK."

Clay Crozier and Reeve of the MD Bill Flynn attended the sod turning ceremony for the proposed new system at Vimy, October 10 and said they were impressed by

the cost of the project - one third the cost of a conventional system.

Mr. Crozier also put the cheap expense down to "grass roots co-operation" mentioning that the Nanawaterline was also turning out cheaper than the engineers estimates.

The Department of the Environment will be keeping a close watch on Vimy and it is expected that no other place will be able to start a similar project unless Vimy's works.

LOCAL SCHOOL children in Vimy show their enthusiasm and appreciation after the sod turning for the hamlet sewer system. And their interest in the big machine

CANBRA FOODS WILL TEST YOUR RAPESEED SAMPLES FREE!

Because government regulations limit erucic acid to 5% in products for domestic consumption, Canbra Foods cannot buy your rapeseed until it is tested, so take samples from each of your bins. Mail them to your nearest Canbra field representative, to your Canbra gathering point manager, or direct to the plant in Lethbridge. If your rapeseed tests less than 5%, Canbra can take immediate delivery.

There's more. Sign a Canbra Supply Contract and you'll get the added advantages of prompt payment, deferred pricing, free cash advances and free storage.

Enquire today about Canbra's erucic acid testing program and about Canbra's Supply Contracts. Contact your nearest Canbra gathering point:

\$11 Million Rapeseed Plant Locating in MD Sturgeon

An \$11-million rapeseed crushing plant will be constructed in the MD of Sturgeon in a location across the river from Fort Saskatchewan.

In making the announcement of the site for the new plant, the Hon. Hugh Horner, Minister of Agriculture said that the efforts of St. Albert MLA Ernie Jamison and Reeve Bill Flynn and his council committee had been instrumental in having the plant located in the MD over a site proposed in the County of Strathcona. Presentations made by the MLA and M.D., Mr. Horner said, emphasized the imbalance of tax assessment base which seriously affects MD Sturgeon.

The rapeseed plant will have an annual taxation levy of about \$200,000.00.

Partnership agreements were signed in Calgary, October 8 by the Alberta Wheat Pool and four leading Japanese trading and food processing companies, for the construction and ownership of the 600 ton per day rapeseed crushing plant.

Alberta Food Products will employ about 60 people. It will have capacity to crush nearly 9.0 million bushels of rapeseed annually, and to produce approximately 80,000 tons of rapeseed oil and 120,000 tons of rapeseed meal, a year.

Construction of the plant is to begin immediately and is expected to be completed for handling of the 1976 rapeseed crop.

Wheat Pool President, G.

L. Harrold, said Alberta Wheat Pool members are the major shareholders in a number of factors will contribute to the success of the international venture. First is the assurance of rapeseed supplies to the Plant, from Wheat Pool members as partners in the enterprise. Second is the special attention to be devoted by the C. Itoh Co. (Japan's leading marketer) to the marketing of this

Plant's production, in Japan. Third is the provision, to Alberta Food Products, of technical assistance and advanced oil crushing technology, by the Ajinomoto Co. which is a world leader in that technical area.

Mr. Harrold said the Plant will help broaden and stabilize producers' rapeseed

markets, and will bring the benefits of added-value industry to Alberta. Benefits of assured quality supplies will accrue to the Japanese food industry. Alberta Food Products will demonstrate the mutually beneficial results of international co-operation and effort, said Mr. Harrold.

Get well wishes of the district to Mrs. Maizle

MD Council Briefs

Following are some of the items which came up at the regular meeting of the MD of Sturgeon, October 10 - 11.

Council decided to delay until further notice a suggestion from Secretary of the MD Alphonse Nobert that MD staff should be paid a Christmas bonus. He had suggested a \$150 bonus for office staff whom he claimed were overworked. Council were in favor of such a move but decided to delay a motion because they were not sure where to draw the line. Councillor Lawrence Kluthe said he would not like to see dissent among other MD staff employed with Public Works and other departments.

Council were unable to discuss the new discharge of firearms by law because it was not back yet from the Department of Lands and Forests and the Minister of Municipal Affairs.

Councillor Ed Courchesne came in for a bit of unexpected praise when Mr. Nobert expressed gratitude for the work Mr. Courchesne had done in his three year stint with council. He does not seek re-election this time round. "He was always here to inject a bit of humour," said Mr. Nobert.

The MD decided to make equipment available to trim up the site for Riviere Qui

BEEF SUPPER SERVED FROM 5 TO 8 P.M. -- \$2.50 PER PLATE

Dance Saturday Night

Sponsored by the West Sturgeon Agricultural Society

from Gibbons

By Shirley Steinwand
HALLOWE'EN PARTY
 A meeting was held Tuesday evening to organize a hallowe'en party. There were only 14 people present, giving the impression that not many care one way or the other what their children do hallowe'en night.

However, the 14 people in attendance all agreed that they would put in a little effort and make sure the children were kept off the streets.

There will definitely be a hallowe'en party again, time and place to be announced later. There will be no door to door truck-or-treating. Cost will be \$3 per family. Please realize that if the children go door to door, it could well cost you \$20 to \$30.

Canvassers will be calling to collect your money. Please offer your services for helping organize this party. Help is needed. Please

HALL BOARD NEWS
 The Hall Board is sponsoring a hallowe'en beefeest on November 2. Costume is optional.

Again a reminder. Memberships are available in the community hall at \$1 per person from Hazel McLean.

This \$1 entitles you to a vote and say in the way things are run. Meetings are held the third Monday of each month. Lets not sit at home and complain about how things are run. Lets get with it and attend these meetings. New ideas are always welcome.

CUBS AND SCOUTS
 The 1st Gibbons Cubs and Scouts will hold a bottle drive on Saturday, October 26, starting at 10 a.m. It would be very much appreciated if fathers of cubs and scouts would offer their help. Contact G. Cuthbert or B. Pollard.

GIBBONS PUBLIC LIBRARY
 Did you know we have a

Public Library in Gibbons?
 It is located just at the back of the Village Office, and is open three days a week at the following times - Monday 9:30 p.m. to 5:30 p.m., Thursday 12:30 p.m. to 3 p.m., and effective November 1st, Friday 4 p.m. to 6 p.m.

We have a good supply of all types of books on our shelves, to interest all age groups. Also varied reference material, which would interest students and those people interested in crafts. Oldtimers might be happy to read again the Lone Grey books, and we have a good line of Jalna novels, and dozens of paperbacks by all the popular authors. We are very anxious to get many more people reading our books.

Thursday, October 24, we will hold an Open House for the Oldtimers. See you then, I hope.

Congratulations to Ron and Denise Zellweger on the birth of their daughter, Wendy Deanne on October 2, 7 lbs. 4 ozs. A sister for Suzie.

The new service station and car wash, Ron and Al's Service Ltd., has now opened for business. Grand opening will be held on Saturday, November 30.

A reminder of the L.A. Harvest Tea and Bake Sale to be held at the Legion Hall on Saturday, October 26 from 2 to 5 p.m.

LEGION NEWS

The Legion Bingos will start on October 17 and will be held every Thursday evening. They will be held in the Legion Hall and will start at 8:30 sharp.

The winner of the draw for two hundred dollars of beef from Nan's Better Meats was Mr. Gordon Bell of Sherwood Park. The Gibbons Legion would like to thank all those people that bought tickets as well as those that help sell tickets.

VOLLEYBALL SCHEDULE

Home games - October 18 Gibbons vs Bon Accord; November 8 - Gibbons vs Namao; November 29 - Gibbons vs Horse Hill.

Away Games - October 25 Horse Hill vs Gibbons; Nov. 2 - Lazerte Tournament; Nov. 15 - Bon Accord vs.

Gibbons; Nov. 22 - Namao vs Gibbons; Dec. 7 - Divisional Tournament at Sturgeon Heights.

Cindy Blom, 16 year old daughter of Mr. and Mrs. Corney Blom now of Haney, B.C., was recently chosen First Queen of Websters Corners, B.C., at a Century Celebration held in that community. Cindy started school in Gibbons under Mrs. Toane and her grandparents Mr. and Mrs. K. Blom still reside there.

Gibbons Council

The new lagoon system in the Village of Gibbons is now operational and hopefully all work will be completed very soon, weather permitting. An inspection of this facility will take place next week.

Completion of plans for the Mario Home development is expected immediately and the development agreement will be signed so that they can proceed with their installations. There are now 64 permits issued in the Cambac development to the south.

A motion was passed at the Oct. 10 meeting of Council to purchase another 50 meters so they will be ready for installing early in the winter. Work on upgrading the water system is underway and should be completed soon.

The Alberta Urban Municipalities Association convention to be held in Edmonton on October 29 to November 1st will be attended by the village secretary. Members of the new council will be

asked to attend this convention also if they desire.

Mayor Loblicec and the secretary and other members of council have attended many meetings with various municipal governments as well as the North East Water Board with the object of linking up with the north-east water main that runs to Redwater. A meeting or meetings are also being requested with the Provincial Government to seek assistance with the financing of this project. A water study of the area has been undertaken by the village engineers and it would appear that a hookup to this line would be the most logical solution.

The village is looking for a person who would act as a building inspector for the village. This would be only part time and should be a person that understands construction to a degree and who would be willing to study the building code that is now being revised. Anyone who would like to do this, please apply at the village office.

MD wants upgrading of Manawan system

The MD of Sturgeon will ask the Bridges Branch of the Department of the Environment to upgrade all bridges and culverts on the Manawan drainage system.

This decision was taken at the regular meeting of the MD in Morinville last week and the application will be accompanied with a letter of support from Environment Minister Bill Yurko.

Morinville uses the Manawan system as a main storm

sewer outlet and the MD believes it is vital that structures be upgraded to handle additional residential development.

If the application gets the go-ahead from the Department of the Environment, all road and rail crossings over the drainage canal will be improved. The main ditch of the Manawan drainage system runs from north of Morinville to the Sturgeon River at Carbondale.

"Have not" municipalities want benefits from tar sands

The Provincial Government will be under pressure later this year to tell the "have not" municipalities how it will spread benefits from the Alberta tar sands developments.

At its regular meeting October 10 - 11 the MD of Sturgeon No. 90 carried a motion to present a resolution at the meeting of MDs and Counties in Edmonton October 28 urging the Government to make a clear statement about equalizing

the industrial tax base in the light of the industrial spin-off from the proposed oil sands utility corridor. This action will be in preparation for the Alberta Association of MDs and Counties Convention at the MacDonald Hotel November 18-22 where the resolution will also be presented.

It was not that the MD feared that refineries would not locate there - "We'd be better off with a rapeseed plant," commented Councillor Lawrence Kluthe dur-

ing the MD meeting in Morinville October 11, "but they (the Government) must distribute revenues province-wide, or hell!"

Mr. Kluthe's comments came as council discussed a news release from Premier Lougheed on the oil sands utility corridor from the tar sands which will cut up at Hardisty. Reeve of the MD Bill Flynn said the municipality was definitely interested in having a refinery locate in the area, however he was more concerned that

the project would produce inequities in the industrial tax base for the province as a whole and said he wanted the Department of Municipal Affairs "to appoint a consultant and come up with an answer here."

Councillor Walter Van de Walle asked how long was the MD going to be left out in the cold commenting that there had been commissions and studies for the past 20 years.

Mr. Kluthe pointed out that the MD would need a lot of

those things (rapeseed plants) and also commented that in spite of everything the MD was better off than other places like Westlock who were saddled with the burden of additional taxes with an assessment of five million.

"Let's have an equalized assessment," said Mr. Van de Walle, "we don't want to have two kinds of citizens."

He also complained that the Government had said industry would come to Sturgeon but now it was saying just the opposite.

Mr. Kluthe said - "If you want the advantages you'll have to go north but I'm not prepared to move to Smoky Lake."

Councillor Clay Crozier joined in the discussion saying "they know they could be voted out of office over this and the alternative is the NDP."

At this point Mr. Flynn quoted at length from the

Premier's news release which read that "the citizens of Alberta should be assured of the benefits of the proceeds from the petrochemical industry thus maintaining the quality of life in the metropolitan centres." Also in the release it was pointed out that the oil corridor was intended to give new direction to the developments going ahead in the tar sands.

Mr. Flynn then said "I think it will be an ahead regardless," referring to the oil corridor. Other councillors were still not satisfied the Provincial Government had come to grips with the matter of equalized industrial assessment and hoped that when the corridor was ready such an assessment would have been made.

Mr. Crozier ended the discussion saying the MLA recognized the need for sharing industrial tax, "He said it here," he added.

Sturgeon Awards Night draws large crowd

By Norma Crozier

On Wednesday, October 9 1974 the Seventh Annual Awards Night for the Sturgeon School Division was held in the Namo School Auditorium. A large crowd of parents, students, former students and teachers attended. Introductory messages congratulating the award winners were brought by Mr. J. McDonnell, chairman, Board of the Sturgeon School Division and by Mr. F. J. Robinson, superintendent of schools. Mr. J. McDonnell presented scholarships to the Grade XI students, \$200 and a medal each to the four highest students. Winners were: Dianna Boddez, St. Albert school; Sandra McRae, St. Albert school; Dar-

lene Van Brabant, G. P. Vanier school; Eugene Krupa, M. E. LaZerte school.

Mr. McDonnell also presented Grade IX scholarship winners \$25 and a pin each. Winners were: Lori Pawluk, Bon Accord; David Link, Camilla; Terri Porstli, Gibbons; Shelley Krake, Horse Hill; Douglas Vandchik, Namo; Janie Boslak, Sturgeon Heights. T. Umer, vice president, presented the Sturgeon Alberta Teachers' Association Awards to the same Grade IX students.

Local and Community awards were next on the program. Mrs. J. Bentley presented the Horse Hill Amity Club Academic Awards to Donna Briggs and Wendy Wallbank. Murray Legate Award was presented by Murray Legate, former principal, Gibbons School to Terri Porstli, Namo FWA Grade XI scholarship, presented by Cliff Crozier to Laurel Horricks. Mary Ann Tanasuk Memorial Scholarships, presented by Mr. and Mrs. W. G. Tanasuk to Barbara Akerman and Nell Corn. Lorraine Roulst Award

presented by Mrs. R. Roulst award went to Sturgeon Heights student of the year, Pauline Graebner. Sturgeon School Division Academic Awards saw each student receive a medal and a special pin.

Bon Accord Attendance Area: Kim Pawluk, Patricia Kraway, John Broda, Jacqueline Morris, Michael Sullivan.

Camilla Attendance Area: Eileen Kolesar, Cindy Lou Brennels, Walter Boddez, Heather Fisher, Kathryn Kyle, Joan Sheehan, Bernice McGillis, Jan Lawrence Byer, Alan Brennels, Pamela Meskin.

Gibbons Attendance Area: Barbara Van Noord, Herbie Elchner, Joyce Uchall, John Anderson, Patricia Epp. Horse Hill Attendance Area: Sylvia Bowman, Susan Bowman, Edythe Beyer, Debbie Kealner, Joyce Pukalo, Donna Clark.

Namo Attendance Area: Deborah Rye, Kenneth Cornburn, Lori McMillan, Ross Horricks.

Sturgeon Heights Attendance Area: Debra Kremer,

Patricia Kinshella, Louise Gauschebour, Noreah Terraalt Kenneth Bokenfohr, Marilyn Van Brabant, Marie Quaghebour, Dean Bokenfohr, Donald Lema, Jeannine Martel, Ronald Roulst.

Long service awards were presented by trustees to Teachers: Mrs. Lillian Schick, Mrs. Katherine Sustrick for 20 years and Mrs. Irene Koontopp, 15 years. Bus Operators: Norman Millar, Glenn Gabbey, Central Office staff - Mr. S. J. Sieben, Teacher, Mrs. Gladys Brodie was presented a retirement gift.

During the evening the audience heard musical selections from choruses of each school adding to the enjoyment of the evening. Lunch was served, courtesy of the Board of Sturgeon School Division.

Report from Bon Accord

By Sadie Allen

Birthday greetings to Mrs. Ella Rigney on the occasion of her 89th, on October 18, with belated greetings to Mrs. Ellen Mulligan who celebrated her 86th birthday on August 25.

Thanksgiving Day saw a large turn out to the Ladies Community Club's annual turkey supper. The Agricultural Society had a most successful final Market Day on the main floor while the supper was in progress. Home baking tables stocked by church members in the community were quickly depleted of their goodies. Crafts moved slowly. Any-one wishing to purchase really beautiful bouquets of

artificial flowers could contact Mrs. Donoghue. As usual many former residents made the supper the occasion for a visit back home and a chance to talk to old friends. A special mention must be made of faithful patrons, Mr. Lawrence Rye who will celebrate his 93rd birthday in November, and Mrs. Peter Kowalski, 77 last June.

The Bon Accord TOPS Club has expanded, not in pounds but membership, that it has outgrown the space in the United Church and is now being conducted in the school gym. An hour of yoga exercises is followed by Doreen Pawluk to TOPS members following the weigh-in. The meetings are now being

held on Thursdays and anyone interested in joining should be at the school not later than 7:15 p.m.

The first meeting of the fall season for the Brownies and Guides was held at the BA Community Centre on October 7. The Brownies were divided into Sixes and had the year's program explained to them. There are 23 Brownies enrolled with 15 being Twenties (new Brownies). The Guides elected Patrol Leaders and had patrol duties explained to them. There are 19 Guides enrolled. Calendars at 50 cents each are being sold by the girls. Due to the Thanksgiving Supper the next meeting will be held on Oct. 21.

Congratulations to Jim and Joanne Long on the arrival of their chosen son, Michael Allan on Sept. 30, and to Clarence and Linda Johnson on the birth of their son, Bradley Kristen, 7 lbs. 14 ozs, on October 6.

The Anglican Church Women held their October meeting at the home of Shirley Bland. The ACW are raffling a hand quilted patchwork quilt, and tickets may be obtained from any club member. The quilt top is one made by the late Mrs. Amber Hewitt and donated to the club. The draw will be made at a dine and dance, sponsored by the Anglican Church, which will be held in the Community Centre on November 13. For information, call Doris Carleton, 298-3686. The ACW are planning a Christmas Party for our senior citizens again this year with lunch and entertainment. Please keep - December 8, Sunday afternoon open.

Betty West was hostess for the Bon Accord Ladies Community Club on October 9th. The club has planned a dine and dance for November 1st, with the Satellites.

A couple of corrections for last week's news -- the grant received by the St. John Emergency Ambulance is \$400.00 dollars as stated, \$400 dollars NOT \$4,000, as stated, and the Emergency number is 298-3777.

PUBLIC NOTICE BON ACCORD

(Section 311 of The Municipal Government Act)

TAKE NOTICE that the Council of the Village of Bon Accord, in the Province of Alberta, has given first reading to money Bylaw No. 70 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the cost of constructing Municipal Offices and Fire Hall within its municipal limits.

The estimated total cost of the aforesaid project amounts to \$132,000.00. After deducting from this cost the amount of \$37,000.00, to be received by way of grants/for labour forgiveness from the Winter Capital Projects Fund/revenue funds/donations etc., the net amount to be borrowed on the credit and security of the municipality at large by the issue of debentures is \$95,000.00. The debentures are to be repayable to the bearer in twenty (20) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than twelve per centum (12%) per annum.

NOTICE THEREFORE is hereby given by the Council of the Village of Bon Accord that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said Bylaw and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

A proprietary electors is -

- (1) a person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and,
- (2) a person who is liable for the payment of a mobile unit licence.

Fifteen per cent (15%) of the proprietary electors may by petition request a vote on a money Bylaw under the provisions of Sections 311 and 7 of The Municipal Government Act.

1. The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.

2. Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.

3. There shall be set out opposite each signature on the petition -

- (a) the legal description of the property or other qualifications entitling that person to be a proprietary elector,
- (b) the postal address of the petitioner,
- (c) the occupation of the petitioner.

4. A corporation or a church or other religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or a church or other religious organization or an estate.

5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.

6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.

7. No name shall be removed from the petition after it has been received by the municipal secretary.

8. If two or more money bylaws are advertised in a single notice, a separate petition shall be filed with respect to each bylaw.

9. The date of the last publication of this Notice is OCTOBER 23rd, 1974.

Vimy News

By Doreen Provencal

Mr. and Mrs. Francis Landry were pleasantly surprised last weekend by the visit of their daughter, Sister Lucienne Landry of Falher.

Mrs. Francine Dubois had the misfortune of a fire at her home last Sunday, Oct. 6. Fire damaged the patio before the Legal Fire Dept. reached the scene. Francine wishes to thank everyone who stopped from the highway and helped on the bucket brigade.

Get well wishes are being extended to Mrs. Bernice Kowalczyk (Gramma) who is in the hospital in Westlock.

Mr. and Mrs. Gary Booth and family from Woodrow, Saskatchewan, were visiting for several days with Mr. and Mrs. Wally Singleton.

Mr. and Mrs. Roger Dubour motored to Vancouver and the Island for a three weeks holiday. On the way back they stopped in Kelowna, B.C., and liking it so much they decided to find employment and stay there. They will make their move on Tuesday.

Mr. and Mrs. Ray Pelletier and family have recently moved into Edmonton where Ray will be taking a business course for two years.

Sympathies are extended to Mr. and Mrs. Etienne Caouette upon the recent death of her brother, Karl Gilbert of Trochu, Alberta. They motored there for the funeral.

An organizational meeting of the Foster Parents was held on October 10, 1974 at which time they formed the Sturgeon Foster Home Association. There were 27 foster parents in attendance.

The monthly meeting is held on the second Thursday of each month at 8 p.m. in the Rec. Centre.

Anyone wishing to attend these meetings to gain a better understanding of foster care in the Sturgeon District please contact - 256-3847.

There is always a need for foster homes. So if you and your husband feel you could be good foster parents give Mr. Brownback at 487-5440 a call. He is the social worker for this area and he will be only too happy to make an appointment to meet and see you.

Congratulations to Dave and Elaine Kryskow who are the proud parents of their second baby girl named Faye Teen Catherine at Edmonton General on October 10, 1974. She weighed in at 6 lbs. and 13 ozs. Congratulations also goes out to the

proud grandparents Mr. and Mrs. Ed Kryskow.

Dave scored his first NHL goal of the season for the Washington Capitals on October 9, 1974.

Mrs. Lillian Beasler just returned after spending a week's holiday in Saskatchewan.

Mrs. Gus Ricard reports that 116 pints of blood were collected at the Blood Donor Clinic held at the Rec Centre on October 9. Mrs. Ricard would like to thank all the donors for the precious gift and special thanks to all the organizations and people who volunteered their time to work at the clinic.

The annual meeting of the members of the Rendez-Vous Club will be held at the Hut, November 6, 1974 at 8 p.m.

On October 25 - 8 p.m. there will be a Whist Drive at the Rendez-Vous Club Hut. Everyone is welcome.

The Senior Citizens are busy working on a beautiful

quilt to be raffled later this fall.

Over the long weekend Mr. and Mrs. Leonard Meyer, Mr. and Mrs. Alois Schafer and Mrs. Catherine Bokenfohr all drove down to Great Falls, Montana together to attend the Silver Wedding

LEGAL LOCALS

Mrs. Pat Doerken, District Home Economist, will be holding an Interior Design and Buymanship course at the Legal Recreation Centre on Monday, October 21 from 1:30 to 4 p.m.

Topics to be covered will be color schemes, furniture

Anniversary of Mary and Tony Timmerman. Mrs. Timmerman taught the oldest two children (Ivan and Doreen) of Mr. and Mrs. L. Meyer at the former Volmer School in 1947. She also taught the sisters and brothers of Mrs. Alois Schafer.

arrangement, floor and wall coverings, window treatment landscaping, etcetera. Contact Sharon Velch if you wish to register - 598-2399.

More women are required to register for the upholstery course before one can be held in Legal.

Meeting on water supply

Hook-up into a regional water line was the concern of several MD of Sturgeon communities as they met in Morinville last week to discuss the problem.

Villages represented at the meeting were Legal, Bon Accord, Gibbons and also the Town of Morinville.

A spokesman for the MD said last Thursday it was decided during the meeting to approach Associated Engineers and ask them to compile information on the hook-up which would later be presented as a brief to Environment Minister Bill Yuko for study.

COMING EVENTS

Power Skating Registration will be held on October 29th at 7:30 p.m. in the Arena

The first general meeting for the Morinville Tiny Tots program is to be held at the Recreation Centre on October 17 at 7:30 p.m.

All children from three to four and one-half years of age are eligible. The class will be supervised by Mrs. Alt-miks. The monthly fees will be \$5 plus a \$2 registration fee for the first month. For registration prior to October 17 please contact Mrs. Meunier 256-3572 and Mrs. Lansink 256-3383.

The annual general meeting and registration for the

Morinville Figure Skating Club is to be held on October 22 in the Clubroom at the Recreation Centre at 8:30 p.m.

Anyone that has club uniforms to be returned or exchanged may do so at that meeting.

Registration fees will be collected. The fees will be as follows: - Beginners \$5, 2nd Year Beginners - \$6, Preliminary - \$7, Bronze - \$8, Silver - \$9, Gold - \$10. There is also a \$3 costume rental fee for the carnival. All parents must attend to register their children.

Information for publication in the current week should be in to Marilyn Pelletier by Monday morning each week - 9807 - 97 St., phone 256-3741.

Thank you

We wish to express our sincere appreciation and gratitude to our relatives, friends and neighbors, for their kind expressions of sympathy in the sudden loss of our dear husband, father and grandfather. Also thank-you for the cards, beautiful floral tributes, and especially for the memorial donations to the Alberta Heart Foundation.

Gertrude Holmgren and Family.

Bror Holmgren Passes

By Norma Crozier

On September 28, 1974, Mr. Bror (Bud) Arvid Holmgren of R.R. #2, St. Albert, passed away aged 65 years.

Born in Sweden, July 30, 1909 he came to Canada in 1929. In 1936 he was married to Gertrude Skonberg, and being associated with the Star Key mine for many years they moved to their home near the mine in 1945.

Bud died while on a hunting trip in the Edison area on the Coal Branch Road, with his son-in-law, Milton Fawcett and two other friends from Edmonton. He was last seen about 4:30 p.m. on Saturday when the party separated to look for game. As he had hunted in the area for 15 years, his companions did not become alarmed until late in the evening when he failed to return to their camp. The RCMP were notified and a search of the area was organized and got underway at 8 o'clock Sunday morning.

The RCMP airplane from Edmonton along with the RCMP search dog and handler from Stony Plain were called in to help. Personnel from the Edison detachment and Forestry personnel from Edison and Robb made up a search party of 14. Lack of snow made the search difficult but Mr. Holmgren was found about 2:45 p.m. on Sunday.

He was a member of the Vasa Lodge since 1934.

He leaves to mourn his loss his loving wife, Gertrude; three daughters, Mrs. M. (Virginia) Fawcett and Mrs. M. (Carol) McRae of St. Albert; Mrs. G. (Audrey) Eliasson of Edmonton; eight grandchildren; two sisters, Kerstin Holmgren and Anna Erikson of Sweden.

Funeral services were held on October 3, at Park Memorial Chapel. Pastor J. Kruger officiated and interment was in Mount Pleasant Cemetery.

Trustees state views at Morinville forum

By Marilyn Pelletier

On October 10, 1974, a Political Forum for Thibault School Board candidates was held at the Legion, sponsored by the Board of Trade.

Of the eight candidates seeking election or re-election six were present to give their views. Mrs. Anne Kryskow, Mr. Marcel Labonte, Mrs. Yvonne Leduc, Mrs. Alice Wojtkiw, Mr. Guy St. Germain and Mr. Jeet Khullar.

lar.

There were 53 residents of Morinville present. Each candidate was given 10 minutes to voice their views after which an open question period was held.

Mrs. Anne Kryskow who is seeking re-election gave an informative speech. She stated that by 1980 the town should see a population of 8,000 people. She feels a new 25 room elementary school

is desperately needed and in two years a junior high will be a necessity. She works closely with Early Childhood Services and feels the town will soon need a full time superintendent. The present superintendent is shared with four other school boards. She is well qualified as she was on the committee that administered a 1/2 million dollar budget last year. Anne attends workshops and keeps well in tune with procedures and policies concerning the school board.

The second speaker was Marcel Labonte. Marcel's speech was the shortest of all the candidates. He hit the nail on the head though. Marcel stated an elementary school is needed and would like to be elected to the school board to help and do the job that needs to be done.

Mrs. Yvonne Leduc was

Horse Hill

By Peggy Weizel

For tickets to the hallo-wen hula-doo on October 26th please telephone 799-7401, 799-5783 or 799-6565.

Cub and Scout registration for the new season will take place on Tuesday, October 22.

The community is planning a turkey supper and bazaar on November 2 and tickets are now available. Telephone Mrs. Mullock at 799-6579 or Mrs. Cessford at 799-6413.

the third speaker. She feels a regional high school will be needed in the near future and that our young people should not be bused out of town, but taught right here in Morinville. She also feels that moral and spiritual values are very important to the young people. Tolerance love and compassion should be taught in school not ignored as is the present trend.

Finally Yvonne Leduc feels a woman can make her place in society and should not be restricted to the kitchen as some men feel.

Mrs. Alice Wojtkiw was next to speak. She spoke on what she had learned and the changes she had seen in the past three years. Alice stated that the MD of Sturgeon is contemplating a new high school in Nanaimo. That means Morinville high school students would attend on a tuition basis. She feels that if and when the students need to be transported away to be educated that the parents and school board should have a choice of location.

Like the other candidates Alice feels that a new elementary school is needed and special facilities and training is needed in this school for children with learning disabilities.

Mr. Guy St. Germain opened his speech saying that the Thibault School Board is a business with specific function of establishing the goals of the school system, selection of a superintendent and adoption of policies. He feels the board should be involved in all activities of school matters.

A phrase he used which best describes his speech

is: "The function of the Board is not to run the schools but to see that the school run well."

Mr. Jeet Khullar was the final speaker of the evening. His speech consisted mainly of all the qualifications he has that make him feel that he would be a good board member. Jeet feels that school boards are a corporation and we are all shareholders and that Morinville has a high standard of education which needs to be retained. He also mentioned that board members need to be progressive

people with vision. Answering a two-part question as to whether a teacher can be unbiased and what his position would be on salary negotiations, Mr. Khullar said he would be unbiased - and in negotiation he would be on the side of the teachers.

We are sorry to hear that Mr. George Bulger's father is very ill. Mr. Bulger flew to P.E.I. to visit his dad so couldn't attend the Forum.

The writer contacted Mr. Lucien Haulte and was informed Mr. Haulte was called out on business that evening.

Gibbons Lions News

By Shirley Steinwand

Lions' Thanksgiving Bingo October 7, received good support from local citizens. The CNIB extra game for a turkey donated by the Lions' club realized \$79.00.

A hearty thank you to the contributors to the CNIB canvas carried out in September! The canvas netted \$344.55. A cheque of \$423.55 has gone out to the CNIB in Edmonton; this amount includes the proceeds from the game on October 7. Commendable support for a worthy cause.

An SOS call was recently received from the Red Cross for someone to direct their financial appeal in Gibbons and area. Lion Bill Pollard volunteered for this position. Bill is the new representative or zone chairman. He has a big task to perform, and will require the co-operation of citizens in his zone. Bill advises that zone organization is well underway and his canvas team is almost ready for action.

At the October 8 meeting held on "WORLD LIONS SERVICE DAY" Gibbons

Lions voted to donate \$75 to the Gibbons Teen Club which is currently being organized. Lions members are interested in helping young people band together so that they can make a creditable contribution to their community and plan their own recreation. Lions' President Gerald Kipling is taking a keen interest in this project. Ladies' Night, Monday, October 28, should be a gala occasion. At this time we play hosts to our ladies and guests. District Governor Russ Forsythe and his lady will be guests of honour. Lion Forsythe will induct several new members in our club. Besides the induction ceremony, many awards will be made to deserving members including the award for LION of the YEAR. The inner man will be served by a pot luck supper - so get the pots cooking, Lions!

A reminder that the October Fest is Saturday, October 26, in the Gibbons Hall. The draw for the side of beef raffle will be made this evening. Tickets for both these events are available from Lions and local Merchants.

IMPERIAL

A PACKAGE OF PROTECTION

Winter will soon be nibbling at your car! Because our severe Alberta winters can depreciate your car's value so quickly, you'll be smart to give it all the protection you can.

You don't have much time to build a garage, but with a factory-built component package from Imperial, you don't need much time! Imperial's complete factory-built garage packages save you money on costly labour and we have eliminated the costly waste of materials.

AUTOMATIC GARAGE DOOR OPENERS

The Genie Model GS-200 allows you to open and close your garage door with an in-car control.

Stay in out of the cold
